Stavím sám nebo ve dvou

Můžete stavět samostatně nebo spolupracovat ve dvoučlenném týmu. Jeden může hledat potřebné díly, zatímco druhý provádí samotnou montáž. Kdykoliv si můžete vyměnit role.

Stavíme ve skupinách

Jste dva nebo je vás více? Rozdělte se na týmy a stavte nezávisle jednotlivé části, které pak sestavíte ve finální konstrukci.
